Build a Picture with Shapes

Use circles, squares, triangles and rectangles to draw a scene. Add color and count your shapes.

Name: _____ **Date:** _____

SHAPE BANK

CIRCLE

SQUARE

TRIANGLE

RECTANGLE

DRAW HERE: A house, a garden, a robot, a magical world - or your own idea!

COUNT YOUR SHAPES

Circle: _____

Square: _____

Triangle: _____

Rectangle: _____

TELL SOMEONE ABOUT YOUR PICTURE

Which shape did you use most? What happens in your picture? Can you add one more shape?

There is no single right picture. Encourage the child to describe, point, or invent a story.
